DentalWriter™

Nierman
Medical Billing Services

Combine DentalWriter™ Software with Nierman Medical Billing Service, the ultimate solution for efficiently implementing dental sleep medicine, TMD, implants and more!

WHAT CAN DENTALWRITER™ SOFTWARE DO FOR YOUR PRACTICE?

- ✔ Streamline your cases and workflow with online questionnaires and electronic exams.
- ✔ Save time generating the proper documentation for medical reimbursement.
- ✔ Communicate and build referral networks with physicians at the click of a button.

WHAT CAN NIERMAN MEDICAL BILLING SERVICE DO FOR YOUR PRACTICE?

- ✔ Handle the entire medical reimbursement process from start to finish.
- ✔ Fight for the best benefits for your patients including GAP-exceptions, follow-ups and appeals.
- ✔ Patient by patient financial coaching makes it easy to present out of pocket cost to your patient.

We have used the medical billing services with DentalWriter for a very long time and highly recommend it to offices that render services requiring medical billing! We get to deal with a friendly and knowledgeable staff that quickly inform us of medical plan benefits along with submitting claims in a timely manner! Not to mention the added benefit of having experts help set up medical billing with Medicare for our Durable Medical Equipment treatment. If you are billing medical codes and are not already utilizing these services with DentalWriter, you need to start now!
