Course Description

Designed to give dental practices the knowledge and guidance to incorporate orofacial pain treatment into their practice, this 2-part, 38 CE credit program is a comprehensive educational experience with an emphasis on hands-on training taught by the leading craniofacial pain mentors and instructors.

Benefits of Attending

- ✓ Improve your patients' quality of life by relieving them of pain.
- ✓ Expand your practice and add new revenue sources.
- ✓ Dental practices treating sleep apnea should be knowledgeable on orofacial pain treatment.

Additional Courses, Dates, and Locations Listed Online
