& CLINICAL GUEST SPEAKERS

## CONFERENCE DESCRIPTION:

Set your practice up for success with this year-end event full of high-level education, training, and games that will prepare you and your team to tackle cross-coding, dental sleep medicine, and craniofacial pain integration head-on. Network and connect with fellow dental sleep medicine & TMD practices across the country while obtaining the latest knowledge from the leading educators in the industry.

"This class is **AWSOME!!** they really go in depth and answer all my questions!!! There software is nothing like I've ever seen truly helpful in every aspect of billing!" - **Charlain LaRee Phelan, Nashville 2018**

## CHOOSE BETWEEN 2 TRACKS:

### Dental Sleep Medicine & Craniofacial Pain

**Learn** how to build strong referral relationships with sleep physicians, neurologists, ENT's, and other specialties.

**Gain** the latest insights and updates in dental sleep medicine, TMD, & craniofacial pain.

**Discuss** ideas, cases, and challenges during the panel conference session with leading educators.

### Cross-Coding/ DentalWriter™

**Learn** the medical billing fundamentals, strategies for billing success, increasing case acceptance, and the specific codes for dental sleep medicine, TMD, oral surgeries, bone grafts, & many other procedures.

**Utilize** the full potential of DentalWriter to stay organized, save time, build referrals, and receive medical reimbursement.

**Play** interactive cross-coding games including Family Feud, What's Wrong with This Claim, & more for fun & retentive learning.

ADA CERP® | Continuing Education Recognition Program

Nierman Practice Management is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.
