

Medical Billing in Dentistry The Secrets to Success

ATTEND IN-PERSON OR VIA LIVESTREAM

Learn Rose's secrets to getting paid by medical insurance.

This renowned course provides the knowledge and confidence to successfully implement medical billing as a dental provider.

Get Paid by Medical Insurance

Dental services eligible for medical billing include dental sleep medicine, TMJ, oral surgeries, bone grafts, CBCT, frenectomies, laser, exams, accidents, extractions, & more.

Increase Your Case Acceptance

Make it easy for your patients to say YES, and start exceeding your monthly revenue goals. Set your practice apart while staying fee for service with courtesy medical billing.

Achieve Dental Practice Growth

Lower your patients' out-of-pocket expense without compromising your fees. Create the absolute best patient experience and gain more referrals from patients and physicians.

ROSE NIERMAN
35 YEARS OF CROSSCODING EXPERIENCE

COURTNEY SNOW

"Just finished my course, it is very informative and the people are great! They make coding fun and give you great tools to maximize your practice's income!"

- Carol Ann Denhartog
