Speaker
Shouresh Charkhandeh, DDS
- Recipient of the 2012 & 2015 Clinical Research Award from the AADSM
- Chief Dental Officer at Zephyr Sleep Technologies, “Clinical Director” at The Snore Centre in Calgary, Alberta
- Charismatic & engaging dental sleep medicine speaker throughout North America.

Course Description
Tailored for the dental practice that has some experience treating obstructive sleep apnea, this course will set you and your dental team up for dental sleep medicine (DSM) growth and success. This course builds upon Successful Implementation of Dental Sleep Medicine and devotes two days focused on tackling the most common challenges practices face when growing DSM, and establishing a complete game plan for achieving your dental sleep medicine goals.

Course Objectives
- DSM protocols & hands-on clinical exam and appointment workflow.
- Overcome common obstacles for DSM growth.
- Set up a repeatable system for screening, workflow, documentation, & medical billing success.
- Work with the medical community to build strong referral networks.
- Train the assistants, hygienists, and front office in their roles for DSM success.
- Receive the latest research and literature in sleep medicine & oral appliance therapy.
- Establish a digital workflow for dental sleep medicine.
- Leverage the latest technology to increase efficiency & case acceptance.
- Establish an efficient team protocol for medical billing.
- Putting it all together and establishing a complete game-plan for success.

Additional Courses, Dates, and Locations Listed Online
“What an amazing CE course that was very detailed and informative. It was two jam packed days of information. I’ve taken many CE classes over the years and I would rate this one as one of the BEST!! HIGHLY RECOMMEND!!”

- Suzanne E Jones, 2019
