Course Description

With over 100 sleep apnea and TMD appliance brands on the market, it may seem overwhelming to know where to start. The Dental Sleep Medicine & TMD Appliance course is a 2-day journey towards increasing your dental sleep and TMD appliance mastery.

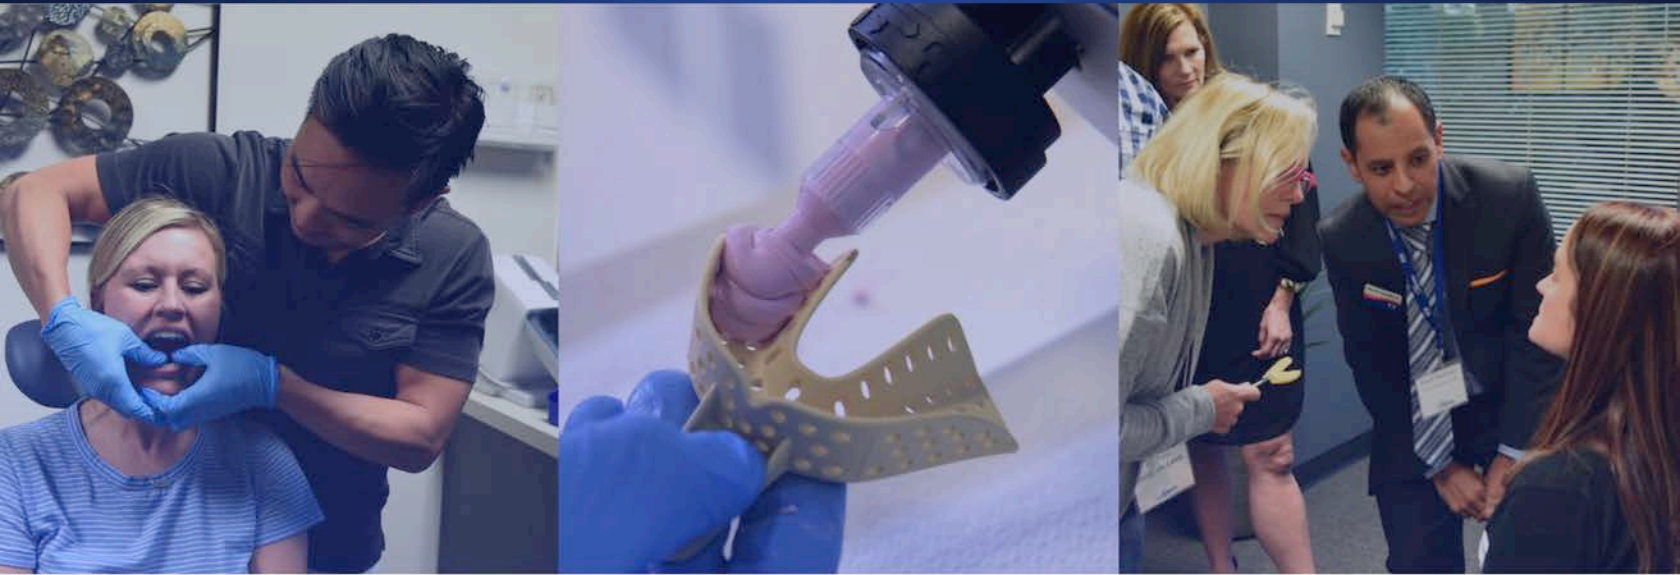

Course Highlights

- ✔ The pros and cons of the major appliances, and which one is right for each patient.
- ✔ Develop communication protocols with patients and labs for more successful outcomes.
- ✔ Comprehensive exam and hands-on bite registrations and impressions.
- ✔ Triaging between sleep apnea and TMD treatment.

Receive 50% OFF an Sleep/TMD Appliance for yourself when you attend this course. Code: TrueFunctionLab
