Diving into Dental Sleep Medicine
Interactive Livestream Seminar

November 6, 2020 / 8am-5pm PT / 8 CEUs

Participants are encouraged to use their webcams for the most interactive experience!

**Course Description**

Expand your dental practice with leading dental sleep medicine experts in the industry. This course will help you and your team implement obstructive sleep apnea (OSA) treatment into your dental practice.

Focused on the key areas in place needed for success, this interactive virtual dental sleep medicine course will cover:

- Introduction, screening, and the treatment workflow for OSA
- The pros and cons of the major appliances
- Getting paid by medical insurance for OSA treatment
- Referral building with physicians and patients
- A step-by-step implementation checklist

And much more. This course is designed to set you on the path for successfully implementing dental sleep medicine and oral appliance therapy.

**Speakers**

Dr. Mark Abramson, DDS  
*Diplomate of AAOP, AADSM, and AACP*

Rose Nierman, RDH  
*CEO & Founder of Nierman Practice Management*
